

World Bank Group Carbon Pricing Initiatives

PMR: A Forum For Collective Innovation

Pillars of Work Going Forward

POLICY ANALYSIS

Define post-2020 climate mitigation pathways and support establishment and implementation of policy packages

CARBON PRICING

Implement effective carbon pricing policies – e.g., carbon taxes, emissions trading, crediting mechanisms

MRV

Develop robust policies, methodologies, and systems to Monitor, Report, and Verify (MRV) GHG emissions and NDC performance

CLIMATE FINANCE

Create conducive policy environment and innovative instruments to deliver climate finance for transformative actions
